

EJECUTABLE RETO 1 SESION 3

The image shows a screenshot of an IDE with the following components:

- EXPLORER:** Displays the project structure for "SESSION 3". Under "RETO 1 S3", the files are: `Pasajero.class`, `Pasajero.java` (selected), `Principal3.class`, `Principal3.java` (4 errors), `Vuelo.class`, and `Vuelo.java` (9 errors). Below this is "RETO 2 S2".
- EDITOR:** Shows the code for `Pasajero.java` in "RETO 1 S3". The code is as follows:

```
1 public class Pasajero {
2     private String nombre;
3     private String pasaporte;
4
5     public Pasajero(String nombre, String pasaporte) {
6         this.nombre = nombre;
7         this.pasaporte = pasaporte;
8     }
9
10    public String getNombre() {
11        return nombre;
12    }
13
14    public String getPasaporte() {
15        return pasaporte;
16    }
17 }
18
```
- TERMINAL:** Shows the output of the program execution:

```
